Webinar:

Supporting immigrant women to be included in the labour market

○ 27th March 2025, 9.00-11.45
📍 Teams

The Swedish ESF-Council welcome you to this webinar about immigrant women's inclusion in the labour market.

Join and listen how four ESF-funded projects from Sweden, Finland and Germany are helping immigrant women finding a job, becoming self-sufficient or getting closer to the labour market.

This webinar is for you who are interested to know more about ESF+ and transnational collaborations. For example: if you are working in an ESF-funded project, at a managing authority for ESF+ or in other organizations that meet immigrant women.

Programme

9.00 Introduction by the Swedish ESF-Council

9.10 **Empowering self-sufficiency in Dalarna**

Project: Egenmaktsarenan Dalarna

The primary goal of the **Egenmaktsarenan Dalarna** project is to support unemployed participants in making significant strides towards achieving self-sufficiency. This initiative focuses on providing the necessary tools, resources, and guidance to help individuals gain confidence and independence. The project is driven by the municipalities of Borlänge, Ludvika, Leksand, and Falun, in collaboration with Region Dalarna and Fornby Folkhögskola. [Read more about Egenmaktsarenan Dalarna](#)

9.35 **Integration Support in Stockholm**

Project: Etableringslyftet

The **Etableringslyftet** project aims to assist foreign-born long-term unemployed individuals and newly arrived immigrants in integrating into the Swedish labour market and society. This initiative offers tailored support, including job training and guidance in the Swedish society. The foundation for all the activities is based on the perspective of the target group. The project is led by the municipalities of Upplands Väsby, Sollentuna, and Sigtuna, in close cooperation with the Swedish Public Employment Service (Arbetsförmedlingen) and regional employers.
